## Helping women *SOAR* with careers in technology

### Meet the Chief Talent Partner of the Metis Movement

**Lynn Anderson, CPC, ACC, CELC, ELI-MP, PMP**

As a Certified Professional Coach, Energy Leadership Development Expert, Energy Leadership Index Master Practitioner, Public Speaker, Radio Show Host, Author, Workshop Facilitator, and recognized Executive Leader, Lynn Anderson is widely regarded as an expert in the field of Leadership Development, Life Mastery, Team Building, and 21st Century Adult Learning Theory. Her most recent book, "Be A Woman Warrior: Twelve Tips & Sips for Unleashing the Power Within You," was released in Feb 2011 and she is a contributor to two upcoming book releases, "Madam CEO: How to Think and Act Like a Chief Executive" and "Leaders in Pearls: How to Be a Change Architect: Empowering Women Globally." She has been awarded numerous leadership awards to include, "1999 Ernst & Young Rosemarie Meschi Award Finalist", "2006 Capgemini South Vice President of the Year", and "2009 Women In Technology (WIT) Woman of the Year Honoree". Lynn has over 25 years in military, government, corporate, consulting and now entrepreneur experience.

# themetismovement

The Metis Movement is committed to providing services to support careers for women in technology no matter where you are at in your career journey: just starting out, transitioning, or looking to step into a leadership role. We support both corporate and individual members.

Our mission of supporting companies and women to S.O.A.R. (strategize, optimize, accelerate, and retain) with top quality talent connects outstanding women with the right opportunities. We support and empower women through strategy development, executive recruiting, training, career planning, leadership development, and coaching.

Leaders of the Metis Movement are available for speaking engagements for your corporate teams, women's groups, career connections, or other events. Topics covered include:

- Career Empowerment for Women in Technology
- Energy Leadership
- Five Dysfunctions of a Team
- Strategies for Women's Success in Technology
- The Power of Diversity & It's Impact on the Bottom line
- Women in Technology – Importance of Growing Leaders
- The Importance of Women on Boards and in Executive Ranks
- Branding: Your Unique You, Online & Off
- Tips on Transitioning to/from the Stay at Home Mom
- Other topics, as requested

The Metis Movement also hosts workshops, seminars, and retreats on topics of interest to our membership group. Members receive special discount pricing for any Metis sponsored event.

Contact us to request additional information or to book these special speaking services.
